

them. ere procticing it. AND GETTING AWAY WITH IT.

Recently. nt Mac Dill field in Florida, **German prisoners** who were working as kitchen police 3nd cooka’ assistants at the base hospital. refused to work it Negro MILITARY PATIENTS continued to cut in the same mean hall with the whites. although the black patients ate on a separate side of the hall.

Immediately. on demands of the Nail, honpitai officials began feeding the Negro military and civilian personnel in a Jim Crow mm hail.

It has been the policy at the hospital to hospitalize Negro and white patients in the same ward. although the Negroes were grouped at one end and the whites at the other. This policy prevailed in the mess hall. with Negroes on one side. whites on the other. It is said that the Negroes are fearful of protesting the Mac Dill situation because of possible retaliation that might be directed against them. This week. a
